The program staff and peer reviewers will use the information to evaluate applications and make funding decisions. The purpose of SIP is to provide grants to eligible institutions of higher education (IHEs) to help them become self sufficient and expand their capacity to serve low-income students by providing funds to improve and strengthen their academic quality, institutional management and fiscal stability.

This information collection is being submitted under the Streamlined Clearance Process for Discretionary Grant Information Collections (1894-0001). Therefore, the 30-day public comment period notice will be the only public comment notice published for this information collection.
